Creating the connections that bring us together.

Lowcountry Rapid Transit is a modern bus rapid transit system that will connect communities in our region like never before. Whether you're traveling on foot, on bike, or on the bus, LCRT welcomes you.

Explore the Possibilities

Coming in 2030, LCRT is the state's first mass transit system. Operating mostly in dedicated lanes, LCRT will provide safe, reliable, and low-cost connections between Ladson, North Charleston, and Downtown Charleston.
