

# 2024 END-OF-YEAR UPDATE

## A Year of Progress

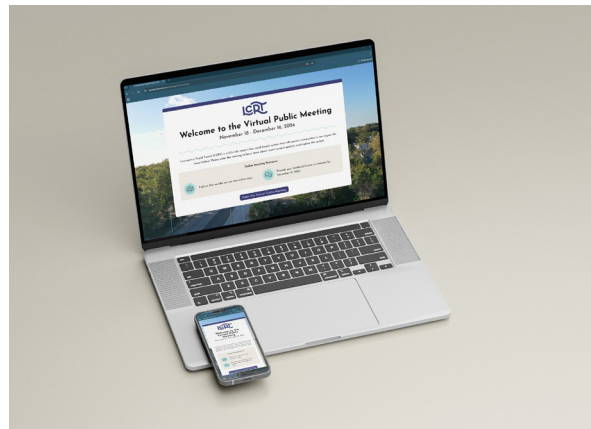

The Lowcountry Rapid Transit (LCRT) project team is celebrating another year of significant progress in 2024. The project team completed 60% design and has now begun LCRT's final design.

We were able to share these exciting updates with the community during in-person open houses and via a virtual meeting in November and December. Community members had the opportunity to learn more about 60% design plans, station architecture and branding, and key system features.

**36 community members** attended our in-person open houses  
Over **1,228 community members** viewed our virtual public meeting

With LCRT now in its final design stage, we're moving closer to making South Carolina's first mass transit system a reality for our region.

### A look at our 2024 accomplishments:

- System design advancement in coordination with local, state, and federal agencies
- Final design kick-off
- 60% design and right-of-way (ROW) plan completion
- Ongoing engagement with stakeholders, businesses, neighborhoods, and communities

### Looking ahead at future project milestones:

- **Progressing design & 90% design submittal:** Spring 2025
- **ROW completion:** Fall 2026
- **Construction start:** 2027
- **Ongoing coordination** with other local projects, stakeholders, businesses, neighborhoods, and the public

We are excited to continue working towards enhanced connectivity, new opportunities, and far reaching benefits that will come from LCRT.

## Project Snapshot

As 2024 comes to a close, the LCRT project team is pleased to share that the project remains on schedule and on budget!

- ✓ **On Track** for all Major Milestones
  - Next Up: 90% Submittal - Spring 2025
- ✓ **Project Remains on Budget** for \$625 Million

The project team continues to coordinate regularly with local partners to ensure effective, on-time, and on-budget delivery.
