

## **LOWCOUNTRY RAPID TRANSIT TO HOST FOUR TRANSIT ORIENTED DEVELOPMENT (TOD) COMMUNITY WORKSHOPS**

**NORTH CHARLESTON, S.C. (July 24, 2023)** – The Berkeley Charleston Dorchester Council of Governments (BCDCOG) and Lowcountry Rapid Transit (LCRT) will host four public workshops to support the project’s Transit Oriented Development (TOD) planning efforts.

TOD fosters connected and walkable growth options, and BCDCOG is seeking the public’s input to shape how communities near the transit line can most benefit from the introduction of high-quality transit stations.

“Public input is key in shaping the plans and policies that will guide development along the transit line so that it benefits people living, working, and doing business in the corridor today and creates stronger neighborhoods for tomorrow,” said LCRT Project Manager Sharon Hollis.

### **About Lowcountry Rapid Transit**

*Lowcountry Rapid Transit is a bus rapid transit system that will travel the spine of the Lowcountry, along US 78 and US 52 (Rivers Avenue). A comprehensive study conducted by the Berkeley-Charleston-Dorchester Council of Governments identified bus rapid transit as the best transit solution to combat increased congestion in our region. LCRT will transform the infrastructure in our region, improving transportation for public transit riders, commuters, and pedestrians. This modern transportation system will be a catalyst for economic growth and*

**About BCDCOG:**

*The BCDCOG is a voluntary association of, by and for local governments, and was established to assist Berkeley, Charleston and Dorchester county leaders in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development. BCDCOG's purpose is to strengthen the individual and collective power of local governments and to help them recognize regional opportunities, eliminate unnecessary duplication, and make joint decisions.
